

Can I afford it? YES! Here's why:

1. Save Money!

At less than \$2 a meal, the Body by Vi™ Challenge helps you save money and get healthy at the same time. Think about all the money you spend on fast food and unhealthy meals that just get you OUT of shape... Don't you think it's time to make your health the priority it should be?

2. Get your Product for FREE!

That's right, just help 3 Customers purchase a Challenge Kit of equal or greater value to your own, and your product can be free. Not only does "free" fit every budget, but it's always more fun to lose weight and get in shape with friends!

3. Get Paid To Help Others...

How many people do you know right now that want to lose a little weight or get in shape? What about people who could use an extra few hundred or few thousand dollars each month? Why not share the Challenge with them and earn income weekly, monthly, or even get a new BMW for doing so?
